

## **Leon Wesly**

**Leon Wesly was not quite four years old when he was separated from his parents and brought to be hidden with a family. This family however did not treat him properly, therefore he was transferred to another family where he could hide. He was betrayed by a neighbour of the family and sent to Westerbork. He died either on the way to Auschwitz in February 1944 or was murdered upon arrival when he was not quite five years old.**
